10. What is your overall assessment of the lecturer?

Comments / remarks

- > Originelle, praxisnahe Vermittlung des Stoffes, kreative, nicht-triviale Aufgabenstellungen fordern die Studierenden heraus und motivieren sie somit, ihr persönliches Potenzial zu entdecken. Er ist in der Lage, den Stoff anschaulich zu vermitteln, rechtzeitig einen Witz zu machen oder die Wichtigkeit des Stoffes zu unterstreichen. Er hat ausgezeichnete Folien und ein Buch erarbeitet, die den Studenten auf seinem Weg begleiten. Es gelang ihm, eine sehr warme und freundliche Atmosphäre zu schaffen. Er ist in der Lage, auf eine sehr milde Weise Kritik zu üben, um den Studenten auf seine Fehler aufmerksam zu machen. Der Professor ist zweifellos ein Schatz für die Universität, der ist es schwer, zwischen Forschung und Lehre zu teilen.

Comments / remarks

- > He not only provided a motivating environment during class. Furthermore, he showed a motivated attitude, which helped a lot in keeping track. Additionally, the chronological approach helped a lot to keep everything in order.
